### OPTION 2

1. Get a string (not stretchy) or piece of paper about 6" long and 1/4" wide.
2. Wrap around the base of your finger you want the ring to fit. It has to fit snug, but not too tight.
3. Mark the point on the string or paper where it overlaps, forming a circle.
4. Measure the length of the string/paper on a ruler\* and compare to the measurements in option 1. That is your ring size.

\*This ruler image is not to scale. Please reference a physical ruler (in inches) to measure your ring size.
